

ADVANCING THE
PERFORMING ARTS

Rigging – Basic

Rigging – Basic is the High-Risk Work Licence (HRWL) enabling a person to legally rig in the CaPT sector, its generally a 5-day course and covers areas like mechanical load shifting and building structures.

Please note every HRW License completed requires a **Victorian postal address** and an **additional fee of \$66.60** for issuing your license.

Training Providers

[CFMEU](#)

Address: 1 Wharf Rd, Port Melbourne

Dates: 7-day course split over 3 weeks

Cost: \$0

Entry Requirements: PPE, Hard hat, Safety Footwear and Hi vis clothing, White card, Working safely at heights, EWP over 11m, Dogging license.

Please be aware that courses are aimed at the construction industry and can often reflect the attitudes, culture and demographics of that industry.

If you have concerns about the accessibility and/or cultural safety of these courses, please contact me directly to discuss (christian@tna.org.au). It may be possible to group students together, enabling them to support each other throughout the training course.
